SoccerRecruits provides players with a suite of online tools that assist them in the recruiting process while maximizing their exposure to college coaches. Join SoccerRecruits' 18,000+ members to support your players throughout the college recruiting process.

## PLAYER PROFILE

Build your Soccer Resume and provide coaches with all relevant academic and athletic information in one, organized place.

## TRACK COLLEGE VIEWS

Track every college coach interaction — know who is viewing your profile, video, and transcript in real time.

## SEARCH SCHOOLS

Use our Advanced Search Tool to narrow down your list of schools and research programs that are right for you.

## UPLOAD VIDEO

Upload unlimited video to your player profile for coaches to evaluate you on their own time. SoccerRecruits also offers video editing services.

## MESSAGE COACHES

Message any college coach in the country using our Built-In Messaging System, and they are immediately directed to your full profile.

## CLUB COACH ASSISTANCE

Your club coach can identify schools for you, message colleges on your behalf, and direct programs to your player profile all on the SoccerRecruits platform.
